Janice,

Everything below is correct. That additional donor was a 1k check from Roy Ray with the Rotary Club of Memphis District Office. We received two donations from the Rotary Club in separate areas. The second donation was from The Rotary Club of Memphis East. We did apply all funding towards bike expenses. I asked that all checks be written out to MSCC and only one donor failed to do so. I know it makes things less complicated with the accounting and I apologize for any confusion.

Thanks,

Megan

Thanks,

Janice

Hi Janice,

Here is one last receipt that I need to include in our reimbursement for bike expenses. Each year we have bikes leftover that are never claimed and we exchange them for store credit or they are donated. This year our CAO agreed it would be more cost effective for us to store them for next year. We struggle securing funding each year and it would cost us less to store the remaining bikes for next year as opposed to purchasing them all over again. We have 37 bikes leftover for next year, boxes of t-shirts and helmets that are stored in a unit on Lamar. I have attached the receipt with the cost so it can be added to the additional receipts I dropped off On June 22nd. Thanks so much!

Take care,

Megan

Hi Megan,

You can drop the receipts off anytime either today or tomorrow (going to lunch today around 1:00). Once the Rotary Club check is deposited we will get a check cut to the DA s office to cover the additional expenses incurred.

Thanks

Janice

Yes ma am I did. Yes, I was referring to that check. They emailed me asking if I knew you all have received the funds. Then I also have a \$3k check from the Rotary Club that I was presented that I need to give you. Since we were receiving last minute funding our office covered the cost of the shortfall on the bikes. I have receipts for the bikes and the storage unit showing what has been purchased. Once I bring you this second check we will have \$6k, which will allow us to be reimbursed for what we covered. Then we can leave the remaining amount with you for next year.

You picked up the \$12,000 check, correct; are you referring to the \$3,000 check from FedEx? Sam

Hey Sam!

I emailed you, at the end of May, regarding a check received from FedEx, but you were out of the office. I wanted to follow up about that and make sure you all received it.? I have also received another check from the Rotary Club of Memphis that I need to bring to you along with receipts. I meant to do it sooner, bit my grandmother passed away on the 9th and I was out all last week. Our office covered the shortfall of the bikes and we have paid for storage for the bikes. I assume a check can be processed once we get both of the donor checks in one place to reimburse the office for accrued expense. Let me know when would be a convenient time for me to stop by.

Thank you Janice. I just spoke with the manager from Wal-Mart. I will have the receipts for the bikes by then as well. You requested a list of donors. I have included all of the information below:

FedEx 3k (This check should be arriving in the next few weeks. They were late to the game. Until then the office will cover the shortfall.)
Hyde Family Foundation 10k
Monogram Foods 2k
The Rotary Club of Memphis 1k (This check was issued directly to the office.)

Sharon you just let me know a convenient time to pick it and I will work around you.

Thanks!

I will gladly follow the same format as last year and report everything as requested. I kept the report for my records.

I still need to know how to move forward with the funding from FedEx that I mentioned in a previous email. Scott, our CAO, asked me to get with you about drafting a grant agreement for the 5k they would like to begin contributing to our Truancy Reduction Program. They are currently deciding on the level of sponsorship they would like to contribute towards the bikes moving forward.

Janice, the check can be made out to Walmart again. Just let me know when it is ready and I will come pick it up. I

am waiting for an invoice and a grand total from Walmart. The manager said I would have it this week. I will follow up with him to ensure you have everything that you need. I will obtain a receipt the day that they are purchased and get that to you as well. Thank you for all your help!

Hi Megan,

We did receive the Hyde Foundation check which brings the total to 12K. Let me know how you wish to handle receipt of these funds. Last year the check was made payable to Walmart. Also, as usual we will need an invoice/receipt to show the purchased price and a list of additional donors.

Thanks, let me know if I can be of further assistance.

Hi Megan,

We did receive a check for \$2,000 from Monogram Food Services but have not received the \$10,000 grant award from the Hyde Foundation. An award letter dated 8/17/2016 states the grant was approved and funds would be received by May 1, 2017 but to-date (Sam and I have checked extensively) the funds have not been received. So, for now on this end we only have the \$2,000 and hopefully the 10K is in the mail.

Let me know if I can be of further assistance.

Hi Brona,

It is that time of year again.....we are preparing for 'Bikes for Perfect Attendance.' We have to pay for the bikes at the end of May, but I wanted to go ahead and start the process of collecting the funds. We should have funding from the Hyde Family Foundation and Monogram Foods. The other donors cut checks directly to the office. I was unsure if I needed to reach out to you or to Janice to start the process. Just let me know and I will do so accordingly.
